CHARITY INSURANCE

Better deals for charities

In addition to great cover, risk management, our unique valuation service and first class claims handling, we recognise that charities also need help in other areas.

This is why we have teamed up with specialist providers perfectly suited to a charities needs, and have negotiated a special discount for our charity policyholders.

Preferred suppliers

Affinity Connected Ltd – Fundraising Consultancy and Training – 20% policyholder discount

Cost efficient and cost effective fundraising is a priority for any not-for-profit organisation, but its not always easy to get help when you have limited resources.

Affinity Connected was established to provide a one-stop-shop fundraising and marketing consultancy to not-for-profit organisations of all sizes, and has helped raise millions of pounds for a variety of organisations through a diverse range of income streams. They can help with:

- Capital campaigns - strategy and implementation
- Researching sources of funds and making robust applications
- Researching and approaching major donors and companies
- Preparing business and fundraising plans
- Identifying strengths and weaknesses and recommending actions

Clients include Spinal Injuries Association, Peace Hospice, National Animal Welfare Trust, National Deaf Children's Society, Epilepsy Action, Scope, RSPCA, Leonard Cheshire, RNIB etc. Founder Richard Evans was previously Chairman of The Institute of Fundraising Chilterns Region and a Trustee of several charities.

RadcliffesLeBrasseur – Charity Law Specialists – 33% policyholder discount

RadcliffesLeBrasseur is one of the leading Charity law practices in the country. It acts for almost 150 Charities great and small, and for 25 of the Top 3,000 Charities (2006).

With a strong reputation for sound legal advice in this specialist sector, the generous discount makes them far more accessible for charities and the not-for-profit sector.

St John Ambulance – Training Courses – 5% policyholder discount

St. John Ambulance run diverse training courses including First Aid at Work, Moving and Handling Principles, and training to use life saving equipment such as defibrillators.

Last year St. John Ambulance trained over half a million people. The income from workplace-based training courses is used to fund it's mission to provide First Aid and medical support services, caring services in support.

Preferred suppliers (continued)

Healthcare RM – Employee Health Risk Management at work – 10% policyholder discount

It's no secret that ill health and injury are a major cost to businesses in the UK. For charities and the not-for-profit sector, so much depends on its volunteers and staff to keep the wheels turning.

Healthcare RM can substantially reduce costs by circa 35-40% by helping to manage all aspects of workplace health from reoccurring absence to stress and injuries at work, plus assistance in the event of legal issues which could also reduce insurance and liability costs.

Chris Turner Training Services – 20% policyholder discount

Chris Turner Training Services offer a wide variety of training, provided on-site at your workplace, for your convenience.

Courses range from basic food hygiene and health & safety, to adult protection and disability awareness. They are also constantly updated in line with regulation and can be adapted to individual client needs.

Iron Mountain – document protection and storage – 10% policyholder discount*

Iron Mountain is a trusted partner to reduce the costs and risks associated with information protection and storage, a common problem suffered by charities.

They offer comprehensive records management and data protection solutions, and can help with issues such as litigation, regulatory compliance and disaster recovery.

*10% discount for the initial six months storage pricing for Records Management and Data Protection and for service pricing on Secure Shredding Consoles.

SES – safety and environmental services – discounted rates for policyholders

Regulation applies not only to the offices and premises of charities, it also applies to special events, meetings and exhibitions. Specific measures may be needed to protect volunteers and staff, members and any other visitors to premises and venues where activities are taking place.

SES can offer a comprehensive range of services to help ensure organisations of all to sizes meet their legal commitments and obligations, from health and safety inspections through to assistance in dealing with local authorities and other appropriate organisations and implementing any actions.

This information is intended for insurance professionals only and is not intended for distribution to the public. Full details on how to claim these discounts will be made available when a policy is taken out.
